HYGIÉNA basin waste

Ref. 6110BK

Matte black waste with concave grid

DESCRIPTION

HYGIÉNA basin waste **- Ref. 6110BK**

Hygienic washbasin waste, M1¼" with concave grid (no water retention).
Free flow, with no central screw (avoids scale deposits and reduces bacterial development).
Brass grid with polished chrome-plated Teflon® finish and chrome-plated ABS body.
Can be tightened: min. 1mm, max. 2mm.
Conforms to EN 274-1.

ADVANTAGES

No central screw, avoids scale and water retention

Ideal for stainless steel basins
