

### MINI BAILA STAINLESS STEEL DESIGNER WASHBASIN

Stainless steel, inexorably made for design

Stainless steel, a noble and stylish material

Stainless steel, essential for hygiene

Stainless steel, a resilient and unbreakable material

Stainless steel, 100% recyclable

Ref. 120180

#### Industrial? Stainless steel? Think again!

**DELABIE combines expertise and creativity to reshape and reinterpret stainless steel.**

#### Stainless steel at the heart of design

Stainless steel is a resilient and unbreakable material. Which is why it is often recommended for places with high levels of vandalism. But stainless steel should not only be used in prisons!

100% recyclable, it is a noble material which combines resilience, hygiene and design. It is, therefore, at home in all public places: restaurants, offices, shopping centres, museums, schools, hotels, etc.

#### MINI BAILA designer washbasin

Made from bacteriostatic 304 stainless steel, this lightweight washbasin is a truly decorative element. Its shroud conceals the waste. Its conical design blends with any decorative style. It will bring a touch of design to your washrooms!

The wall-mounted MINI BAILA washbasin is available with or without a tap hole. There is also a dual finish option (ref. 120182). The interior of the bowl has a bright polished finish while the exterior has a polished satin finish.

## PRODUCT BRIEF / MINI BAILA STAINLESS STEEL DESIGNER WASHBASIN

Made from bacteriostatic 304 stainless steel, the wall-mounted MINI BAILA washbasin from DELABIE is a truly decorative element. Its conical design blends with any decorative style: restaurant, bar or hotel washrooms. Its shroud conceals the trap. This washbasin is available in a dual finish, with or without a taphole.
