

4-IN-1 MIRROR CABINET

Combining design and functionality

4-in-1 mirror cabinet

Individual installation

Create a wall of mirrors by installing several cabinets side-by-side

Ref. 510203

The DELABIE Group, expert in sanitary fittings for public places, is proud to present its 4-in-1 mirror cabinet. Elegance, easy to install, optimal hygiene... This multifunction cabinet is becoming a must-have accessory for large and small commercial washrooms.

4-in-1

One cabinet with 4 functions: a mirror, an electronic soap dispenser, an electronic tap and an air-pulse hand dryer or, depending on the model, a paper towel dispenser. Illuminated pictograms are intuitive to use and indicate the location of the soap, water and hand drying functions.

Design

Its matte black finish extends DELABIE's BLACK MAGIC COLLECTION which already comprises taps, soap dispensers, hand dryers and washbasins. Fitted with an LED strip, the cabinet creates ambient lighting while highlighting the washbasin. Its aesthetic lines dress the room and the mirror cabinet then becomes a truly decorative element.

Hygiene

Hand washing is the basis of good hygiene and an effective measure against bacteria. Electronic controls reinforce this efficiency.

The automatic detection of hands activates the soap, water and drying function, guaranteeing touch-free control and avoiding any contamination from one user to another.

In addition, the tap has a periodic anti-bacterial duty flush.

Easy to install

The mirror cabinet is designed to simplify its installation and maintenance.

It has hidden fixings and a lock with standard DELABIE key. The door hinges provide precision adjustment.

The water supply connects from the inside or the top of the cabinet, depending on the installation. A single electrical connection powers all the elements.

3 screws, a water supply, a single electrical connection and the 4 functions are ready to serve.

The mirror cabinet is available in 2 sizes: 600mm wide for individual installation or 800mm wide to create a wall of mirrors by installing several cabinets side-by-side.

PRODUCT BRIEF / 4-IN-1 MIRROR CABINET

The DELABIE Group, expert in sanitary fittings for public places, is proud to present its 4-in-1 mirror cabinet.

This cabinet combines a mirror, and electronic hand dryer, tap and soap dispenser. Its matte black finish, combined with ambient LED lighting, creates a modern and universal design. It is quick and easy to install. Its luminous pictograms make its use intuitive.

Touch-free, this multifunction cabinet meets the need for hygiene and comfort when washing hands.

The 4-in-1 mirror cabinet is becoming a must-have accessory for both large and small commercial washrooms.
